of Technology and Economics**

Faculty of Economic and Social Sciences

The Faculty of Economic and Social Sciences (GTK) at the Budapest University of Technology and Economics (BME) is a leading Hungarian institution specializing in business, economics, and social sciences.

The mission of BME GTK is to contribute to the solution of the societal challenges of the 21st century by facilitating cross-disciplinary learning and collaboration across the domains of engineering, natural science, and social science as represented by the eight faculties of BME.

Our programmes focus on innovation, covering both technical and social aspects, so that our students have the most relevant and up-to-date knowledge and skills. This will ensure that they are well-prepared to manage the rapidly changing business and social environment in a responsible and effective way for the upcoming decades.
